breakdown, almost costing me my life. I was given no option but to co-operate, for which I now feel much better.

I would like to meet so we can work out how to resolve your situation next, given what I have had to do.

Would you be happy to meet me next week, I propose somewhere neutral and half way, maybe Switzerland?

I'm glad that you feel better

I need to think if I want to be drag in to this play

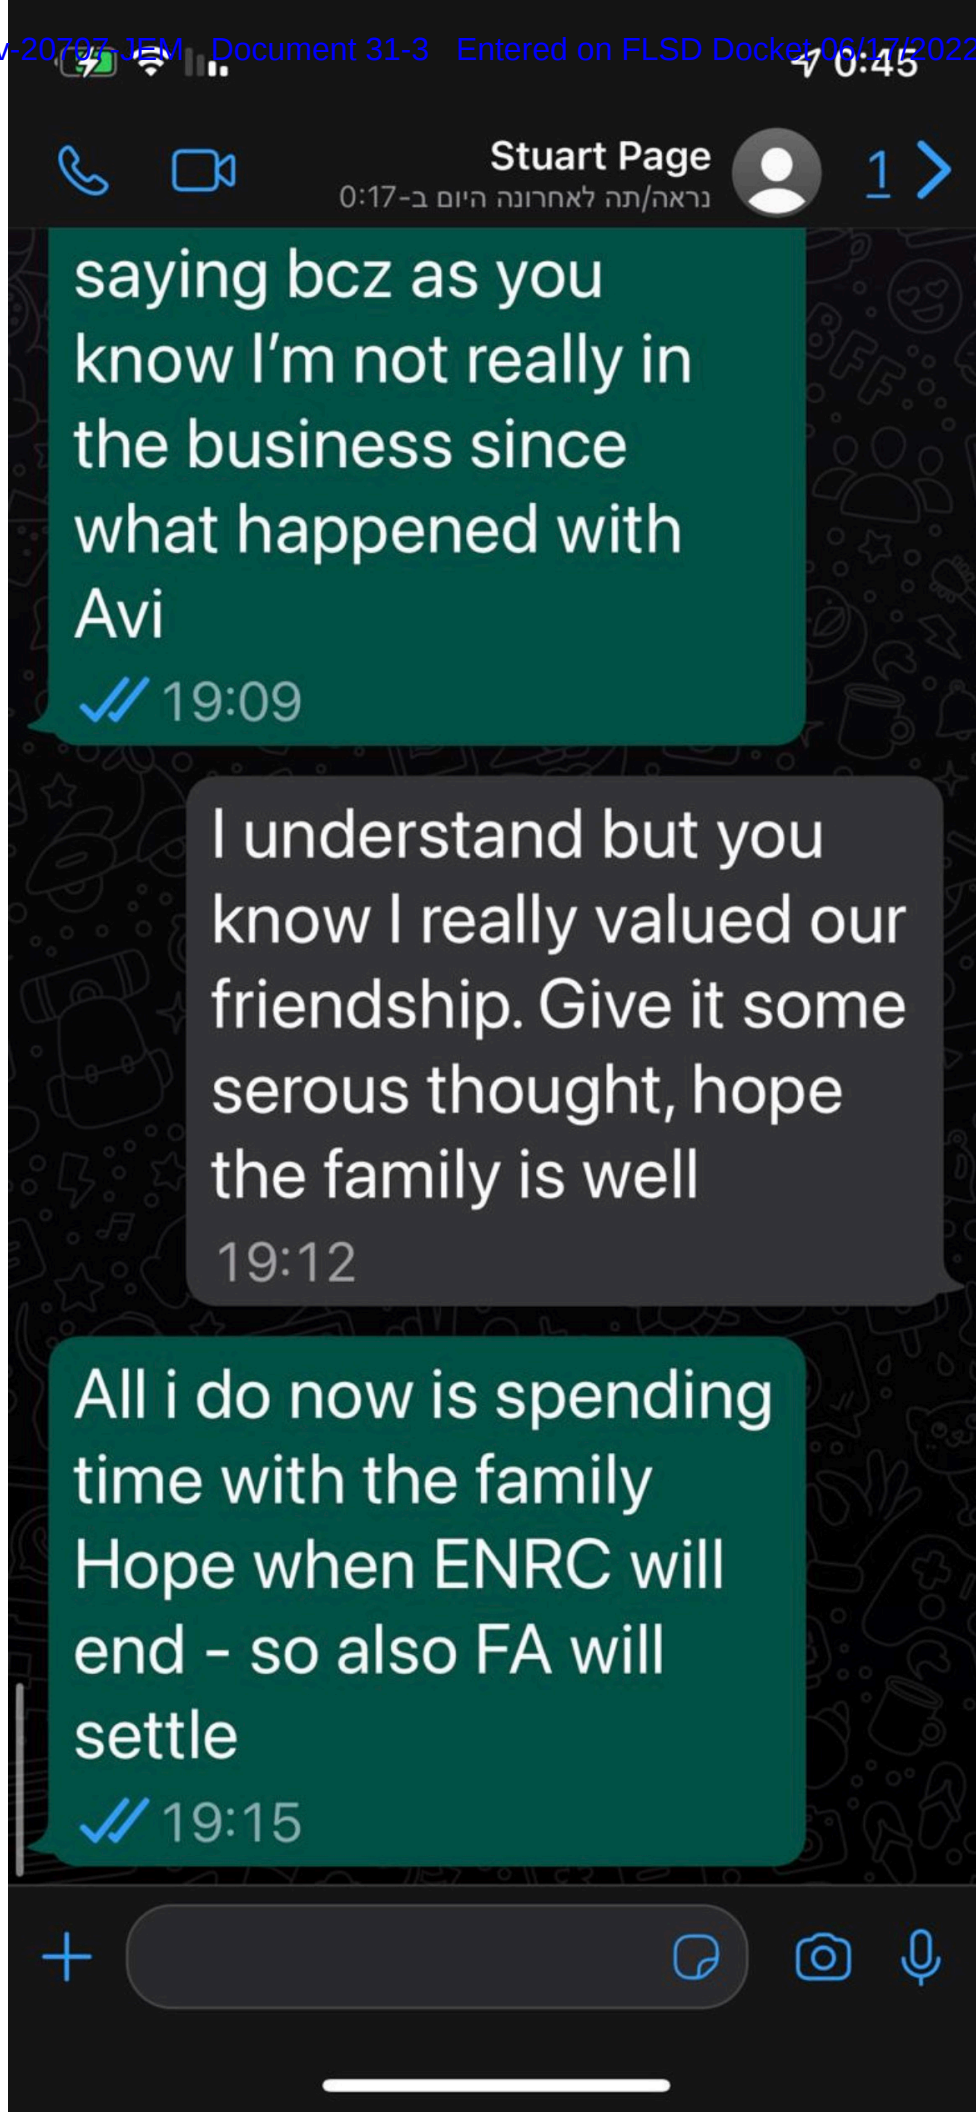

Now The journalists accusing me in things that you know I didn't do or have anything to do with (like FA hacking)

I red your statement and they report on things you didn't said

At this point i C no reason to meat - bcz both sides are not sicking for the truth, the side you pick (and I'm not criticizing you) is

saying bcz as you  
know I'm not really in  
the business since  
what happened with  
Avi

I understand but you  
know I really valued our  
friendship. Give it some  
serous thought, hope  
the family is well

All i do now is spending  
time with the family  
Hope when ENRC will  
end - so also FA will  
settle
